In the case of an undue delay in the processing of an F.B.I. criminal background check, here are the rules and procedures for obtaining a third-party national background check: An application that requires F.B.I. criminal history background report(s) may be included on a commission meeting agenda, and may be considered by the commission for issuance of a license, permit, or package agency if:

- 1). the applicant has completed all requirements to apply for the license, permit, or package agency other than the department receiving the F.B.I. criminal history background report(s);
- 2). the applicant attests in writing that he or she is not aware of any criminal conviction of any person identified in the application that would disqualify the applicant from applying for and holding the license, permit, or package agency;
- 3). the applicant has submitted to the DABC the necessary fingerprint card(s) required for the application and consented to the fingerprint criminal background check(s) by the F.B.I.
- 4). the applicant at the time of application supplies the department with a current criminal history background report conducted by a third-party background check reporting service on any person for which an F.B.I. background check is required; and
- 5). the applicant stipulates in writing that if an F.B.I. report shows a criminal conviction that would disqualify the applicant from holding the license, permit, or package agency, the applicant shall immediately surrender the license, permit, or package agency to the department.

A suggested attestation/stipulation letter that satisfies the above requirements is enclosed.

A third-party national criminal background check can be obtained by;

- searching the yellow pages under Background Screening
- searching the internet under Background Screening or Background Checks

Because the DABC is State Agency, we cannot recommend any one background screening service over another. It is your responsibility however, to obtain the most complete, nationwide, criminal history available for the application process.
